

# Our Program...

Since 1983, our Home Care Service has enhanced the quality of life of seniors, their families, and their caregivers. Our experience is steeped in cultural tradition as well as modern sensibility.

We adapt to your ever-evolving family, and ensure that your beloved parents are able to live independently in their homes—and with the utmost dignity.

We serve Chinatown and many surrounding areas. Call us at 312.808.7250 for details.

Does your loved one need assistance with...

- Meal preparation
- Light housekeeping
- Bathing
- Dressing
- Grooming
- Medication reminders
- Grocery shopping
- Running errands

Or do they simply need a companion at home?

Costs start at \$19.00 per hour. We accept Medicaid, qualified long-term care insurance, and more.

# Senior Home Care Services

*"It is my goal to care for seniors and help them live longer, happier, and with dignity. Their families trust me and know they can count on me."*

# Our Staff...

**We are a compassionate family of cultural sensitivity and forward thinking.**

Our committed professional staff has experience as immigrants, and offer language and cultural support to Chinese seniors.

All home care aides undergo and pass mandated training prior to entering your home, and they receive further training on a regular basis.

*“When seniors are happy, I am happy too. I feel that I am doing something very meaningful.”*

—Zhu Yuan Li, Homecare Aide

- Providing outstanding home care since 1983
- Liscensed by the Illinois Department of Public Health
- Contract with the Illinois Department on Aging

*“The home care aides are very passionate and patient. They take very good care of my wife. Her quality of life has improved a lot! I am thankful for CASL and the home care aides!”*

—Mr. Chan

*“Since I started receiving CASL home care service, I have had a home care aide come to help me get out of bed and make breakfast for me. She takes me for walks as well. I am 80 years old now and still living very happily in my home. This is all because of CASL’s home care aides!”*
